

ATF ANTHEM

- In the heart of Asia, under the burning sun,
- We stand united, together as one.
- Rackets in our hands, eyes on the prize,
- Every shot we take, echoes in the skies.

- Chorus:
- Bound by passion, driven by dreams,
- In every heartbeat, our spirit screams.
- We rise through the challenge, we break through the pain,
- In the silence, our will remains.
