The Captain must be a minimum of 24 years of age prior to the end of the calendar year in which the competition is played (unless approved by the ITF in writing).

The captain shall hold a valid **ITF Player Support Team ID** and is required to have a coaching qualification recognized by their National Association. Practice Day

A practice day will take place prior to the first tournament. Teams may organise their own practice and courts will be pre-allocated by nation.

Event Draw

Will be conducted by the Tournament Committee the evening preceding the first day of play and every reasonable effort should be made to ensure that all official coaches are present.

Tournament Conditions

All singles matches will be the Best of Three Tie-Break Sets. In Doubles a 10 point match tie break will be played at one set all. All placement matches will have 2 short sets and a 10 point match ties break at one set all. No ad scoring will be followed only in doubles. The NO LET rule will in place during service at all matches.

Scoring System

“Short” sets and/or ‘No-Ad’ system of scoring: Can be used if necessary due to shortage of time (i.e. due to rain etc) for feed-in placement matches only.

Singles Events

Will be a maximum draw of 32, if possible, with eight seeded players each receiving a bye into the second round. The singles will be conducted on a feed-in placement basis whereby each player will play one singles match each day resulting in a ranking of all the players from 1 – 32 at the end of the tournament. Note: According to ATF Circuit regulations, players need to win a match to earn a point in the tournament. No points will be accorded in either Singles or Doubles unless a player wins a match.

Doubles Pairings

Must be from the same nation but only the nations with odd numbers of players can form doubles pairings. The doubles will be run on a knock-out basis.

Coaching

As this is not a team event, no coaching is permitted during matches in accordance with the rules of tennis.

Waiver of Claims

All players entering the Championships agree, as a condition of their entry, that no claims are brought against the ITF, the tournament organisers, and the regional association or national associations sanctioning such events, with respect to any injuries, however caused, or any losses incurred, while travelling to and from, or participating in any ITF junior circuit. **It is therefore recommended that all players have adequate medical insurance cover, which cannot be provided by either the ITF, the host national association or the local organiser.** Neither the ITF, the host national association, local organiser or the regional association can accept any responsibility for providing players with such insurance cover.

ITF Team

An ITF team will be selected from each of the regional qualifying events. The players, based on their individual performance, in the regional qualifying events will be part of the ITF team and will play at the Finals in same year i.e. 2025. This means:

- 1 ITF Team from West & Central Asia (2 top boys + 2 top girls + 1 coach)
- 1 ITF Team from South, South East & South East Asia (2 top boys + 2 top girls + 1 coach)

A maximum of 50% of the ITF Team can be from the same country. Accordingly, a maximum of 1 boy & 1 girl OR 2 girls OR 2 boys are permitted from the same country and it will be merit based.

Country Ranking

Each nation’s standing will be calculated at the end of the event. The standing of each nation would be based on the best 3 individual results in singles and the best 3 individual results in doubles, combined for both tournaments (it means the combined points of maximum three singles players and three players of doubles

would be added to arrive at the final points of a nation). Should a nation not select any female/male players on their team, then only the best 2 results in singles and the best 2 individual results in doubles will count towards the nation's ranking.

If the tournament is interrupted for whatever reason and the doubles event cannot be finished, then all points acquired up to that time will be counted.

The winning nation of the regional qualifying event of ITF Asia 14&Under Development Championships will be awarded a trophy (which the Federation may keep).

Promotion rules: (reviewed on a yearly basis)

- a) Top Two (2) nations from the WCA and top two (2) nations from the SA/SEA/EA qualifying events of 2025 will be promoted to the Finals of 2026

- b) The relegated teams will go down to their respective regional qualifying event in 2026
- c) Any team that is a no-show at the 2025 Finals will automatically be placed at the bottom of the standings and relegated to the 2026 regional qualifying events
